RESOLUTIONS.

1. "This Board resolves to request the Government to permit the Board to pay such of the secondary grade teachers in the High Schools under this Board as have put in more than 25 years of service, the maximum of their scale, in view of the fact that owing to the inadequate weightage given to their past service when the scales were revised in 1947, they will not be able to reach the maximum of their scale even at the time of their retirement in spite of the fact that they will have by then put in more than 35 years of service, whereas those who entered service after the revision of scales in 1947 will be able to reach their maximum with only 20 years of service."

2. "This Board considering the fact that the trained graduate teachers are not joining the Board service in sufficient numbers on account of the low scales of salary offered at present as compared with the higher scales of salary paid by the Government and aided schools, resolves to request the Government to permit the Board to pay such employees, the Government scales of pay with all the attendant bebefits so that there may not be any dearth of hands as it exists now, and thereby affecting the tone and efficiency of the Board High Schools".

3. "This Board resolves to request the Government to fix the age of retirement of all the employees under the Board at their 60th age."

4. "This Board resolves to request the government to permit this Board to pay House rent allowance as permitted by

the Government to its employees serving in Taluk Headquarters, Major and Minor Panchayats and Municipal areas."

The grant of permission asked for to pay the Secondary Grade teachers who have put in 25 years of service the maximum of their scale as they cannot reach the maximum by the time they retire for the reason that the new entrants can reach the maximum with only 20 years of service, is not recommended, as their service had already been counted towards weightage and such recommendations would involve discremination.

3. With regard to payment of Government scales of pay to trained Graduate teachers it is open to the District Board to submit proposals for the introduction of Government scales of pay to its teachers.

4. ~~As~~ far as teachers are ~~convinced~~ concerned there is no objection to re-employ them upto the age of 60 as per G.O.2631 Edn. dated 3-10-1951.

5- Payment of House Rent Allowance to its staff by the District Board is a question to be decided by Government with reference to the financial position of the District Board. In ~~For~~ this connection attention is invited to G.O.3193 Edn. dated 18-10-1949 wherein Government have ordered that the proposal of the District Board to introduce Government scales of pay should be deferred.
